To whom it may concern,

Pro Elite Baseball Club is a travel/tournament baseball club that was developed in July of 2015 to provide an opportunity for youth players to excel in the game of baseball, with an emphasis upon personal growth, and mental and physical development. Most importantly, our focus with our players in the baseball experience is to ultimately assist them in growing to become responsible, productive, respectful young adults with integrity at the forefront of their character. Pro Elite Baseball Club provides a unique, refreshing outlook in the expectations and goals that are set forth for our respective players. Our key organizational goals of all of our teams are specifically designed with a focus on life- long learning. For Pro Elite, winning does not come at the expense of integrity and in our program, we stress the importance of integrity, not just in the game of baseball, but as an intragal part of becoming a young adult.

Pro Elite Baseball Club players are proud to be members of the U.S.S.A. (United States Specialty Sports Association) and are based in Lodi/Stockton, California. We operate as a 501C non-profit charitable organization. The Club players are responsible for paying for tournament fees, uniform costs and travel expenses. Any fund raising goes directly to the players to offset the cost of tournament fees, uniform costs and travel expenses. The Club does not profit in anyway and there are no paid positions in the organization including coaching staff. We compete within 45 miles of our hometown, with one exception. Our goal is to play in the Cooperstown Dreams Park Tournament in Cooperstown, New York. With a goal of raising \$24,000 to pay for the Cooperstown Dreams Park Tournament entry and player travel costs, funds received from our sponsors help to mitigate the costs for our local families, so that all players will be able to participate at this level without creating a burden on their families. With the opportunity to support and promote the fostering of local youth athletes in achieving this goal, Pro Elite Baseball Club would like to ask for your consideration in a tax deductible monetary donation sponsorship. As a sponsor at any level of our organization, you become an equal partner sharing in our values, ethics and long-term goals for our youth players. You and/or your business name will be listed as a sponsor on our team web site.

On behalf of the Pro Elite Baseball Club, I'd like to thank you for your consideration in supporting our program and welcome you as a partner.

Very Truly Yours,
